

SUMMER INTERN HOUSING RENTAL INFORMATION

This data sheet contains current information regarding part time/summer housing in 2009 for college students with internship commitments in Fairfield County. The data was produced by the Internship Stakeholders Council, a regional network of business and academic representatives established in 2007 by The Business Council of Fairfield County to share perspectives on the current internship environment.

This initiative is part of the One Coast One Future project that seeks to stimulate economic growth, job creation, and individual economic opportunity by linking the Coastal Fairfield County region's business centers in an alliance for mutual benefit.
