

Young Professionals Network
The Business Council of Fairfield County

Yes!

Expand your professional and personal networks.

Young Professional Network events bring together invited individuals from all kinds of companies, located throughout Fairfield County. Every event includes a learning experience and social networking.

Membership includes:

Invitations to unique opportunities:

- Six networking events, held in Stamford, Norwalk and Bridgeport.
- Two career development seminars and roundtable discussions.
- Three CEO breakfasts.

Priority status at YPN events with attendance limits.

Some events will be held in unusual settings. While large enough to accommodate enough people for a valuable experience, they will sell out. Members will enjoy priority access to these events.

Exclusive admission to CEO breakfasts – and they're free.

YPN members will be invited to three breakfasts with CEO's, hosted by The Business Council. A great opportunity to meet prominent business leaders.

Opportunities for volunteer activities that enrich your community.

Community service is an important part of successful careers and satisfying lives. The Network will give you unique insights into community needs and information about ways you can make a difference.

Annual Membership: \$100.
